

Scottish Drugs Forum

**Online Training
Courses**

**January 2024 -
March 2024**

SDF
Scottish Drugs
Forum

Scottish Drugs Forum has over 30 years experience of researching, training and supporting organisations and has developed significant expertise in the field.

In addition to upcoming online training bespoke in-house sessions can also be provided, both online and in-person.

We also offer the following courses. If you are interested, get in touch to find out more.

- **Bacterial Infection Risks and Outbreaks**
- **Wound Awareness & Wound First Aid**
- **Injecting Equipment Provision - A Practitioners Guide**
- **Route Transition and Safer Methods of Use**

**We also have a number of e-learning courses available!
