

# I SAVED MY SON'S LIFE

“ My boy is still alive... I'm glad we had talked about overdose before, and that I had gone to the drug service for training and knew about naloxone. Seeing him lying there, dying, was so frightening. But the training I'd had meant I knew what to do. Without naloxone, he may have died. ”

## SAVE SOME NALOXONE

### **NALOXONE CAN TEMPORARILY REVERSE THE EFFECTS OF OPIOID OVERDOSE**

For more information on being supplied with and trained to use naloxone, ask at your local drug service or needle exchange.
