

I MADE
THE
CALL
THAT
SAVED
A LIFE

**OVER 80% OF CASUALTIES
ARE ALREADY DEAD BY
THE TIME AN AMBULANCE
ARRIVES. THAT IS WHY IT
IS IMPORTANT TO CALL
THE AMBULANCE EARLY.**

**SAVE
SOME
NALOXONE**

**NALOXONE CAN TEMPORARILY REVERSE
THE EFFECTS OF OPIOID OVERDOSE**

For more information on being supplied with and trained to use naloxone, ask at your local drug service or needle exchange.
